

Hillrose Pet Resort Layover Price Estimate .

This estimate is based on your estimated arrival and departure times for your selected flights, not the scheduled times.

-We use the latest average arrival and departure times to provide a quote for your layover request.

-This estimate is provided to allow you to select the best flights if you need our kenneling services.

-Please be advised that until you make a formal request for kenneling services at www.petresort.com/layovers our estimates are not binding.

-We reserve the right to price our services at a higher rate based on typical airline flight past arrivals and departures and possible weather conditions.

Thank you for considering Hillrose Pet Resort for your needed kenneling services.

Our quote is not binding until we have the flight airway bill number. These lower prices only apply to our partner Alaska Airlines at Cargo. This chart is not for the Main Terminal pick-up or Drop-off. Note a \$25 setup fee is nonrefundable once a deposit has been made.
